RECOMMENDATION

That approval be given to City Initiative CI-12-C, for a change in zoning from the Residential Multiple “RM2” Zone to the Residential Multiple “RM3-231” Zone, with a Special Exception, to correct a mapping error, for lands located at 33 Fall Fair Way (Binbrook), as shown on Appendix “A” to Report PED10007(a), on the following basis:

(a) That the Draft By-law, attached as Appendix “C” to Report PED10007(a), which has been prepared in a form satisfactory to the City Solicitor, be forwarded to City Council for enactment.

(b) That the amending Schedule be added to Schedule “H” of Zoning By-law No. 464.

(c) That the proposed change in zoning is in conformity with the Hamilton-Wentworth Official Plan and the Township of Glanbrook Official Plan.
EXECUTIVE SUMMARY

On February 10, 2010, City Council passed By-law No. 10-025, which proposed various changes in zoning to facilitate the proposed Draft Plan of Subdivision known as “Binbrook Heights”.

The purpose of this City Initiative is to correct an inadvertent mapping error on Schedule “A” to the implementing Zoning By-law Amendment No. 10-025. Approval of this Initiative is consistent with the original application, as per the attached Notice of Complete Application and Pre-circulation (see Appendix “B”), and Committee’s and Council’s previous approvals of the related planning applications.

FINANCIAL / STAFFING / LEGAL IMPLICATIONS (for Recommendation(s) only)

Financial: N/A.

Staffing: N/A.

Legal: N/A.

HISTORICAL BACKGROUND (Chronology of events)

On February 10, 2010, City Council passed By-law No. 10-025, which proposed various changes in zoning to permit a townhouse development for lands located at 33 Fall Fair Way.

Recently, it has come to the attention of staff that due to an inadvertent mapping error, not all of the lands included in Block 9, per Committee’s and Council’s approval, were included in the implementing Zoning By-law Amendment (see Appendix “D”).

Accordingly, a housekeeping amendment is required in order to appropriately zone the balance of Block 9 (see Appendix “A”), which was shown on the original Notice of Complete Application and Pre-circulation as Block 4 (see Appendix “B”), thereby giving effect to Committee’s and Council’s original approval.

In particular, the lands omitted from the limits of Block 9 are to be rezoned from the Residential Multiple “RM2” Zone to the Residential Multiple “RM3-231” Zone, with a Special Exception, under the Draft By-law (see Appendix “C”).
POLICY IMPLICATIONS

The proposal is technical in nature and corrects a mapping error in order to permit the proper development of the “Binbrook Heights” Plan of Subdivision, 62M-1142, the associated Draft Plan of Condominium 25CDM-201101, and the final approved Site Plan Control Application DA-10-113.

The proposed change to Schedule “A” maintains the original intent and purpose of By-law No. 10-025, as approved by the City of Hamilton on February 10, 2010, in that it permits the development of residential townhouse units under the Residential Multiple “RM3-231” Zone, with a Special Exception, in accordance with the Registered Plan of Subdivision, “Binbrook Heights”, 62M-1142.

The proposal is consistent with the Provincial Policy Statement, conforms to the Growth Plan for the Greater Golden Horseshoe (Places to Grow), and conforms to the Hamilton-Wentworth Official Plan and Glanbrook Official Plan.

RELEVANT CONSULTATION

Public Consultation

A Public Notice sign was placed on the subject lands by February 8, 2012, and notice of the Public Meeting was given in accordance with the regulations of the Planning Act. Pre-circulation of the Initiative was not undertaken given the technical nature of the amendment.

ANALYSIS / RATIONALE FOR RECOMMENDATION

1. The proposal has merit and can be supported for the following reasons:

   (i) It is consistent with the policies of the Provincial Policy Statement, and conforms to the Growth Plan for the Greater Golden Horseshoe (Places to Grow);

   (ii) It conforms to the “Urban Area” policies of the Hamilton-Wentworth Official Plan; and,

   (iii) It conforms to the “Medium Density Residential” policies of the Glanbrook Official Plan and the Binbrook Village Secondary Plan.
Vision: To be the best place in Canada to raise a child, promote innovation, engage citizens and provide diverse economic opportunities.

SUBJECT: City Initiative for an Amendment to Glanbrook Zoning By-law No. 464 for a Portion of the Lands Located at 33 Fall Fair Way, Binbrook (Glanbrook) (PED10007(a)) (Ward 11) - Page 4 of 5

(iv) It is technical in nature, in that it corrects an inadvertent mapping error in the implementing By-law Amendment, consistent with Council’s prior planning approvals.

2. The Provincial Policy Statement focuses growth in Settlement Areas. The proposed development provides densities and a mix of land uses, which efficiently uses the land, resources, infrastructure, and public service facilities within the Settlement Area and, therefore, the proposal is consistent with the Provincial Policy Statement.

3. The Growth Plan for the Greater Golden Horseshoe (Places to Grow) directs growth to the Built-up Area, and promotes residential intensification and complete communities through a range and mix of housing types and tenures with high quality open space and local stores and services. The proposal conforms to the Growth Plan for the Greater Golden Horseshoe (Places to Grow).

4. The Hamilton-Wentworth Official Plan designates the subject lands as “Urban Area” in the Hamilton-Wentworth Official Plan. Urban Areas are intended to accommodate approximately 96% of new residential housing units in the Region to the year 2020. The proposal provides for residential development where full municipal services are available and therefore conforms to the Hamilton-Wentworth Official Plan.

5. The subject lands are designated as “Residential” and “Binbrook Village” on Schedule “A” - Land Use Plan, and “Medium Density Residential” on Schedule “B” - Binbrook Village Secondary Plan. The subject amendment is to correct an inadvertent mapping error, thereby implementing the residential townhouse development as permitted under the “Medium Density Residential” designation. The proposal, therefore, conforms to the Glanbrook Official Plan.
