CITY OF HAMILTON
PUBLIC WORKS COMMITTEE

NOTICE OF MOTION

Council Date: April 6, 2009

MOVED BY COUNCILLOR MERULLA………………………………………………...

Lease with Royal Botanical Gardens for Churchill Fields Park

Whereas the Royal Botanical Gardens owns Churchill Fields Park but the City has historically had a long-term lease allowing a city park use;

And Whereas there is interest by several community groups in fundraising to make improvements in the park;

And Whereas it would appear that the long-term lease cannot be located.

Therefore Be It Resolved:

That the City Legal Department prepare a new long-term lease with the Royal Botanical Gardens for Churchill Fields Park as soon as possible.
