Reason(s) for delegation request: * We the residents of Ferrie Street area are disgusted with the recent rain storm. We have noticed that there are several houses on the street that have more than 4" of sewage backup. We are disgusted and appalled at the amount of taxes that we pay and hardly ever does the city come and clean the sewers. There is a blockage somewhere along the sewers that is causing this backup. And the city has done nothing to resolve this problem. I feel that the residents should sue the city’s ass off as they always seem to build but never never have I ever seen them expand the sewers in the Ferrie Street area.

Will you be submitting a formal presentation with your request? *
