(d) DISCUSSION ITEMS (Item 5)

(i) Biosolids Management Project - P3 Canada Funding Business Plan Approval (PW11098a/FCS11112a) - (City Wide) (Item 5.1)

Dan McKinnon, Director of Water and Wastewater Operations & Remo Bucci, P.Eng., Vice President and Director, Deloitte, addressed the Committee with the aid of a PowerPoint Presentation. A copy of the presentation has been included in the official record.

Dan McKinnon provided the committee with an overview of the past history of the Biosolids and discussed the current status of the project. He
outlined the City’s current practice of using land application in respect to biosolids. He discussed changes under the *Nutrient Management Act* which has increased the amount of biosolids that can be placed on a hectare of land as well as increased monitoring requirements and decreased handling restrictions. Mr. McKinnon indicated that the current land application process would likely not qualify under P3 funding opportunities. He discussed the various other options respecting biosolids and the goal of making a long-term biosolids management plan.

Remo Bucci, outlined the business case and how it applies to the P3 Canada grant system as described in the report attached as Appendix “A” to Report PW11098(a)/FCS11112(a). Mr. Bucci provided examples of other successful P3 projects and discussed the current market for P3 biosolids project.

Mr. Bucci discussed the next steps in moving forward with the RFP for a P3 project and indicated the importance of approving the business case today to proceed.

Committee members asked questions of Mr. Bucci respecting the thirty-year term and possible changes to legislation for incineration of biosolids. Committee members also asked for clarification of the approval process and what occurs is costs change in the future.

Committee members asked questions of Mr. McKinnon respecting enhanced treatment to biosolids.

Committee members asked for clarification on what endorsement of the Business Plan would result in? Staff indicated that the Business Plan would be for submitted to the P3 Canada and that staff will return to committee with the results of this application this fall to seek further direction.

(Ferguson/Collins)
That the staff presentation respecting Report PW11098a/FCS11112a, Biosolids Management Project - P3 Canada Funding Business Plan Approval, be received. CARRIED

(i) **Delegation by Ray Fullerton to present his opinions respecting P3 Canada Biosolids Business Case (Item 4.1)**

Mr. Fullerton discussed the past concerns he raised around some of the P3 suggestions. He went through the report and discussed the costs of the various options. Mr. Fullerton discussed his concerns with importing biosolids from other areas. He discussed the 17 bidders who have expressed interest in the P3 opportunity. Mr. Fullerton suggested that Council proceed to the next phase of
the project to see what the results of the evaluation of the P3 Business Plan are.

(Farr/Jackson)
That Ray Fullerton be given an additional two minutes to address the Committee. CARRIED

Committee members asked about the establishment of the Sub-Committee on the P3 Biosolids issue and the Fairness Monitor. Staff indicated that they will be bringing more details back on matters, likely when they report back in the fall.

(Pearson/Whitehead)
That the delegation by Ray Fullerton to present his opinions respecting P3 Canada Biosolids Business Case, be received. CARRIED

(Ferguson/Whitehead)
That a sub-section (c) be added to read as follows:

(c) That staff be directed to submit the business case developed in support of the Round three application as a re-application into the Round Four P3 Canada Fund for a proposed biosolids management project. CARRIED
