RECOMMENDATION

That the Food and Shelter Advisory Committee 2014 base budget submission in the amount of $500, be approved and forwarded to the 2014 budget process (GIC).

EXECUTIVE SUMMARY

The Food and Shelter Advisory Committee is a Volunteer Committee appointed by City Council. The Committee has prepared a 2014 budget submission for approval in the amount of $500. This funding will help facilitate community events whereby Food and Shelter Advisory Committee members will interact with members of the public to understand priority housing and food security related issues. The funding will also support incidental costs for meetings, such as room, equipment, refreshments, parking and any other transportation support members may require. This is the same amount that the Food and Shelter Advisory Committee received last year.

HISTORICAL BACKGROUND

The Food and Shelter Advisory Committee (FSAC) is a longstanding volunteer citizen committee that informs Council (through the Emergency and Community Services Committee) of issues or policies that impact persons or communities for whom barriers exist to income security, food security and access to safe, accessible, adequate shelter. The Committee also provides a forum for intergovernmental and community partner discussion on these matters, and ensures that the perspectives of persons (clients) and communities who are experiencing these barriers are taken into consideration in the review of relevant City policies and programs.

The objectives of FSAC also include:

- To ensure that issues, specific to people who are homeless or at risk of becoming homeless, are brought forward and recommendations are provided to the Emergency & Community Services Committee in a timely manner.
- To ensure that issues, specific to people who are experiencing hunger, are brought forward and recommendations are provided to the Emergency & Community Services Committee in a timely manner.
- To assist with the coordination and implementation of Council approved recommendations.
- To collaborate and devise innovative, preventative measures to assist in addressing homelessness or hunger issues within the community and to provide those recommendations to the Emergency & Community Services Committee.

- To identify emerging trends, potential gaps and best practices in food or emergency shelter service needs.

- To educate the community about urgent food and shelter needs through regular reporting to the Emergency & Community Services Committee.

- To respond in a timely manner to requests for advice from city staff and the Emergency & Community Services Committee.

- Recognizing the significant relationship emergency food and shelter have with other components of the housing continuum, it is important for FSAC to liaise and collaborate with other committees doing work in the areas of homelessness and affordable housing (such as the Affordable Housing Flagship) and to keep apprised of relevant programs and initiatives.

### POLICY IMPLICATIONS/LEGISLATED REQUIREMENTS

There are no policy implications for Report CS13048.

### RELEVANT CONSULTATION

The Food and Shelter Advisory Committee was consulted at the October 2013 meeting and concur with the recommendation contained in this report.

### ANALYSIS / RATIONALE FOR RECOMMENDATION

The Food and Shelter Advisory Committee provides Council with a valuable perspective regarding issues of emergency food and shelter. The Food and Shelter Advisory Committee is made up service providers and citizens with experience and interest in these issues. They are keenly aware of emerging trends in the community through their work delivering these services and the lived experiences they have. The Food and Shelter Advisory Committee uses this experience to provide information to Council. It does this by providing feedback to staff regarding matters of interest to Council as well as through direct reports to the Emergency and Community Services committee. The members of Food and Shelter Advisory Committee volunteer their time.
