RECOMMENDATION:

a) That the Hamilton Downtown Property Improvement Grant, as detailed within Report PED10080, be applied to 52 Cannon Street West as the development of the property is complete and the terms and conditions of the Program have been satisfied.

b) That the Mayor and City Clerk be authorized and directed to execute the Agreement attached as Appendix "A" to Report PED10080.

EXECUTIVE SUMMARY

Report PED10080 recommends the approval of the Hamilton Downtown Property Improvement Grant Program for 52 Cannon Street West as the redevelopment of the property has been completed and the Municipal Property Assessment Corporation (MPAC) has reassessed the property. The end result is the development of a two-storey commercial building on a former vacant parcel of land.
The grant is based on the municipal portion of taxes in the year in which the application was submitted (the applicant submitted his application in 2008) and deducting the amount from the municipal portion of the taxes in the year in which MPAC reassesses the property post-development completion. The first year grant will be $16,826.76 declining by twenty percent (20%) each following year for the following four (4) years. The total estimated grant over the five (5) year period is $50,480.26.

Alternatives for Consideration – See Page 6.

FINANCIAL / STAFFING / LEGAL IMPLICATIONS (for Recommendation(s) only)

Financial: The City is collecting full property taxes on the property and in turn providing a grant for five (5) years declining each after the first (1st) year by twenty percent (20%) based on the increase in the municipal portion of the taxes post-development completion of 52 Cannon Street West. Following year one (1) of the grant payment, the City will start to realize the positive results of the Program from a financial perspective.

Staffing: Applicants and subsequent grant payments under the Hamilton Downtown Property Improvement Grant Program are processed by the Downtown and Community Renewal and Taxation Divisions. There are no additional staffing requirements.

Legal: Section 28 of the Planning Act permits a municipality, in accordance with a Community Improvement Plan to make loans and grants which would otherwise be prohibited under Section 106(2) of the Municipal Act, to registered/assessed owners and tenants of lands and buildings. A Community Improvement Plan can only be adopted and come into effect within a designated Community Improvement Project Area. Changes to a Community Improvement Plan or Community Improvement Project Area require formal amendments as dictated by the Planning Act.

The Agreement attached as Appendix “A” to Report PED10080 has been developed in consultation with staff of Legal Services.

HISTORICAL BACKGROUND (Chronology of events)

City Council, at its meeting held August 22, 2001, approved an amendment to the Downtown and Community Renewal Community Improvement Plan which introduced the Hamilton Downtown Property Improvement Grant Program (formerly titled the Enterprise Zone Grant Program). Since that time, a number of program refinements have been approved by Council. The Downtown Hamilton Property Improvement Grant Program applies to properties within the Downtown Hamilton Community Improvement Project Area. The terms of the Program offer a five-year grant not to exceed the
increase in municipal realty taxes as a result of the development. The program also allows a developer of residential condominium units to pass the grant to first condominium purchasers of each unit. The grant is to be in an amount which does not exceed 100% of the municipal realty tax increase during the first year, 80% in year 2, 60% in year 3, 40% in year 4, and 20% in year 5.

52 Cannon Street West was approved as an eligible project under the terms of the Hamilton Downtown Property Improvement Grant Program by City Council at its meeting held January 28, 2009. The project included the development of a two (2) storey commercial building. The actual cost incurred developing the property was $1,835,153.00.

POLICY IMPLICATIONS

Report PED10080 relates to the processing of an application under the Hamilton Downtown Property Improvement Grant Program which is contained within the Downtown and Community Renewal Community Improvement Plan. The Downtown Hamilton Secondary Plan and Zoning By-law 05-200 affect developments/redevelopments that are approved under the Program.

RELEVANT CONSULTATION

Staff from the Taxation and Legal Services Divisions of the Corporate Services Department were consulted and concur with the recommendations included in Report PED10080.

ANALYSIS / RATIONALE FOR RECOMMENDATION

The Downtown and Community Renewal staff, in co-operation with staff from the Taxation and Legal Services Divisions, developed the Agreement concerning the schedule of grant payments under the terms of the Program. Appendix “A” to Report PED10080 is the Agreement that specifically relates to the development of 52 Cannon Street West. A Signing Officer for 1649741 Ontario Inc., the owner of the property, has signed the Agreement thereby accepting the terms and conditions outlined therein. The following provides an overview of the grant calculation for 52 Cannon Street West as presented in Appendix “A” to Report PED10080.
The Grant shall be calculated according to the following formulas

Grant Level: 100%
Total Eligible Costs (Maximum): $1,835,153.00

Pre-project AV: $ 686,000.00 Year: 2008

Municipal Levy: $ 5,301.97
Education Levy: $ 3,386.82
Pre-project Property Taxes: $ 8,688.79

Post-project AV: $ 847,497.00 Year: 2009

Municipal Levy: $ 22,128.73
Education Levy: $ 12,623.23
Post-project Property Taxes: $ 34,751.97

Municipal Tax Increment = Post-project Municipal Taxes (actual) - Pre-project Municipal Taxes

“Grant Payment in Year 1” (first full calendar year after re-valuation of the completed and occupied project by the Municipal Property Assessment Corporation) or the “Initial Grant Payment” = Municipal Tax Increment*100%

Calculation of Grant Payment in Year 1 (Initial Grant)
Pre-project Municipal Taxes = Municipal Levy = $5,301.97
Municipal Tax Increment = $22,128.73 - $5,301.97 = $16,826.76
Grant Payment in Year 1 = $16,826.76 x 1.0 = $16,826.76

6. If at any point after the original redevelopment of the land, new construction is added to the land that is not part of the original Hamilton Downtown Property Improvement Grant application, the Grant will be calculated only in respect of the original eligible costs, original redevelopment works, and original building size contained in the original Hamilton Downtown Property Improvement Grant application.

(b) the Owner has supplied the City with evidence satisfactory to the City as to the amount of the eligible costs incurred by the Owner;

(i) the Owner has satisfied the City that the property taxes for the year during which property taxes were calculated pursuant to the said increased assessment and for each of the preceding years, have been paid in full, have not been deferred and there are, at the time of application for payment of the annual Grant payment, no instalments for the current year remaining to be invoiced and paid;

(j) the Owner has satisfied the City that the Owner, as of the date of the proposed Grant payment, has paid in full and not deferred all other charges (where applicable) against the property in favour of the City, including but not limited to: Development Charges, park land dedication fees, special assessments and frontage charges.

7.3 The amount of each subsequent grant is equivalent to the Municipal Tax Increment (MTI) for the year in which payment is to be made. The MTI shall be calculated as shown in Section 3 of this Agreement. It is acknowledged that the amount of this grant may vary up or down from year to year during the term of this Agreement. No grant is payable where the MTI is zero or a negative value.

8. The decision of the City regarding the total amount of eligible costs and the calculation of the actual total redevelopment Grant and annual Grant payments is final.

9. Payment of the Grant and the actual amount of the total Grant will be subject to the City’s review and satisfaction with all reports and documentation submitted in support of the application, including but not limited to: documentation of the estimated and actual costs of eligible works. Any and all of these costs may be, where required by the City subject to verification, third party review or independent audit, at the expense of the Owner.

13. The City retains the right at all times not to make any or all of the Grant payments or to delay payment where the City deems that there is non-compliance by the Owner with this Agreement. In particular, without limiting the generality of the foregoing, the Grant is conditional upon periodic reviews satisfactory to the City to there being no adverse change in the redevelopment and to there being compliance on the part of the Owner with all other requirements contained in this Agreement.
