7. **Downtown Parking Transportation Demand Management (Item 9.1)**

   That staff be directed to establish a staff working group including representatives from parking, traffic, transportation, and HSR to strategize on a more coordinated and comprehensive approach to advancing the various Transportation Demand measures (for example, car share, bike lanes, carpooling, bike lockers, etc.) and in devising a more coordinated approach to pricing downtown parking rates as a whole.

8. **Downtown Parking Mosque Parking (Item 9.2)**

   That staff meet and negotiate a temporary parking agreement with the Wilson Street downtown Mosque under the conditions that all issues are covered in that discussion.

9. **Road widening (Item 9.3)**

   That Planning and Public Works staff prepare a report to Planning Committee respecting concerns and issues related to excessive setback and road widening requirements in all the City’s downtowns.

10. **Fruitland-Winona Secondary Plan Public Meeting (Item 9.4)**

    (a) That the November 19, 2013, Planning Committee Meeting be relocated from City Hall to the Stoney Creek Municipal Service Centre to facilitate the statutory public meeting for the Fruitland-Winona Secondary Plan Urban Hamilton Official Plan amendment;

    (b) That the appellants respecting the Fruitland-Winona Secondary Plan Urban Hamilton Official Plan amendment be informed of the scheduled public meeting.

11. **Newalta Landfill Proposal (Item 9.5)**

    WHEREAS on August 13, 2013, Council requested that Newalta Corporation (“Newalta”) provide supporting documents for Newalta’s proposal to increase the
height of the Newalta Stoney Creek Landfill Site and draft documents have since been received from Newalta;

WHEREAS the City is concerned that there has been inadequate public notice and consultation with respect to Newalta’s proposed changes to the height of the Newalta Stoney Creek Landfill Site, particularly given the significant residential community in the vicinity of the Site;

Be it resolved:

That the following comments be forwarded to Newalta, the Ministry of Environment (“MOE”) Environmental Approvals Access and Service Integration Branch, local MPPs and the Environmental Commissioner of Ontario:

(a) Newalta’s proposal to change the height of the Newalta Stoney Creek Landfill Site should be treated as environmentally significant and therefore the MOE should do everything in its power to provide appropriate notice to the public of Newalta’s proposal by posting a public notice on the Environmental Registry and also by providing additional public notice in accordance with the *Environmental Bill of Rights, 1993*;

(b) Newalta’s proposed changes to the Newalta Stoney Creek Landfill Site have not undergone sufficient public consultation, particularly given that the consultation to date has only been during the summer months, and therefore the MOE should do everything in its power to require enhanced public participation in accordance with the *Environmental Bill of Rights, 1993*;

(c) Newalta should be required to provide comprehensive information to the public, particularly nearby residents, of the proposed changes to the height of the landfill, including any additional height which will be added as a cap to the top of the landfill waste and any associated analysis of the potential impact of that additional height, so that the full extent of Newalta’s proposal is known and understood by the community;

(d) That given the history of dust and odours with the last known resident directly north of the landfill (C. Utter Farm), the city remains seriously concerned about the impact on the Empire Home subdivision.

(e) That a copy of the resolution be forwarded to the Minister of the Environment, local MPPs, the Premier of Ontario and Newalta.
