EXECUTIVE SUMMARY:

The purpose of the application is to amend the zoning in order to permit a billiard hall as an additional permitted use.

The proposal has merit and can be supported since the amendment to the Zoning By-law conforms with the Hamilton-Wentworth Official Plan, the City of Hamilton Official Plan and the Crown Point West Neighbourhood Plan. The proposal is considered to be similar to the existing commercial recreation use and compatible with the surrounding neighbourhood.

BACKGROUND:

Proposal

The applicant has applied to amend the zoning of the lands known municipally as 1053-1055 Barton Street East, (see Appendix “A”) by adding a billiard hall as an additional permitted use. The subject lands contain an existing 2 storey building with bowling lanes on both floors. The applicant is proposing to remove the bowling alley from the second floor and replace it with 21 billiard tables. There are 18 existing parking spaces located at the rear of the building.

ANALYSIS/RATIONALE:

1. The proposal has merit and can be supported for the following reasons:

   (i) It is consistent with the Provincial Policy Statement and it conforms to the Hamilton-Wentworth Official Plan, City of Hamilton Official Plan, and the Crown Point West Neighbourhood Plan.

   (ii) The addition of the proposed use to the “H” (Community Shopping and Commercial etc.) District is considered to be compatible with the existing and future land uses in the immediate area.

2. Section 14 (6), Prior Existing Uses, of the “H” (Community Shopping and Commercial etc.) District of the City of Hamilton Zoning By-law No. 6593 only permits billiard halls that existed prior to June 28, 1978 (By-law No. 78-184). This By-law affects all lands zoned “H” throughout the City of Hamilton. By-law No. 78-184 was passed by Council to prohibit new billiard halls, among other uses, in an effort to address potential nuisance factors and spill over effects associated with such uses (i.e. loitering, noise, parking on adjacent residential streets). It is staff’s opinion that the nature of billiard halls has changed since 1978. Parking can be accommodated on site, at the rear of the building, as it has existed since the establishment of the bowling alley in 1952. Issues such as noise would be addressed at the time of occurrence through By-law enforcement.

   It is noted that there are three schools located in the general neighbourhood. Memorial Public School is located at the north-west corner of the intersection of Ottawa Street North and Main Street East; Queen Mary Public School is located at the intersection of Cannon Street East and Province Street North; and Holy Family Separate School is located on Britannia Avenue at Kenilworth Avenue North. All three schools are a minimum of 1 kilometre away from the subject lands. Staff is of the opinion that this is a sufficient distance separation between the existing schools and the proposed billiard hall. It is noted that both the Hamilton-Wentworth District School Board and the Hamilton-Wentworth Separate School Board were circulated this application and neither School Board provided comments in response.

   Staff is of the opinion that adding the billiard hall as a permitted use on these lands is appropriate as it will be located within a building containing an existing bowling alley, and typically bowling alleys also have billiard tables as the two uses are complementary and similar to each other.

ALTERNATIVES FOR CONSIDERATION:

The applicant could establish any use permitted as of right in the “H” (Community Shopping and Commercial etc.) District on the subject lands. Such uses, for example, would include a business or professional office, bank, beauty parlour, massage parlour, public baths, restaurant, outdoor patio, bakery, dry cleaning/laundry and an animal hospital or kennel.
FINANCIAL/STAFFING/LEGAL IMPLICATIONS:

The application has been reviewed with respect to the Provincial Policy Statement (PPS). The application is consistent with the principles and policies of the PPS.

Hamilton-Wentworth Official Plan

The subject property is designated as “Urban Area” within the Hamilton-Wentworth Official Plan. Policy 3.1 outlines that a wide range of urban uses, defined through Area Municipal Official Plans and based on full municipal services, will be concentrated in the Urban Areas. Therefore, as the nature of the application is for a change to the existing zoning to allow for an additional commercial use, the proposal conforms to the Hamilton-Wentworth Official Plan.

City of Hamilton Official Plan

The subject lands are designated “Commercial” on Schedule A, Land Use Concept, of the Official Plan. This application conforms to the Official Plan.

Crown Point West Neighbourhood Plan

The subject lands are designated “Commercial” on the Crown Point West Neighbourhood Plan. This application complies with the neighbourhood plan.
