Your Worship:

Just a short note to try to express my heartfelt gratitude to the City of Hamilton for providing King’s Forest Golf Club to our Canadian youth who participated in the 2009 Canadian Universities/Colleges Championship.

It was much appreciated that you could participate in our opening ceremonies, which along with the golf course provided a grand stage to allow our Canadian collegiate players an opportunity to demonstrate their many skills.

It did not go unnoticed that the City and the King’s Forest members made a large sacrifice to give up their course in prime season for a better part of a whole week. Canadian students from coast to coast were treated to a challenging course that was in immaculate shape and the City should be justifiably proud.

As a proud Hamiltonian, I am sure this event went a long way in dispelling the old Hamilton image of being merely a lunch bucket town.

Regards,

Ian Giles,
