The City of Hamilton establishes non union students rates, based on an evaluation of the skill, effort, working conditions and responsibilities of the position. Based on this evaluation, student positions are matched to a comparable CUPE 5167 position. A student earns the appropriate percentage for the matched position regardless of his or her program or place of study.

Student rates are based on a percentage of the minimum rate for the matched position.

Student rates are displayed in the following table:

<table>
<thead>
<tr>
<th>Percentage Entitlement</th>
<th>Rate Match</th>
</tr>
</thead>
<tbody>
<tr>
<td>1&lt;sup&gt;st&lt;/sup&gt;</td>
