HISTORICAL BACKGROUND (Chronology of events)

Since the early 1950s, the Canadian Corps of Commissionaires (Hamilton) has provided the City of Hamilton with enforcement services, originally pursuant to agreements with the Hamilton Police and since the formation of Regional Government in 1974, pursuant to successive agreements with the City which were overseen by the City’s Parking Enforcement Section. The former City of Stoney Creek and the former Town of Flamborough also had a long standing relationship with the Corps of Commissionaires (Hamilton) providing parking enforcement. The service of the Corps of Commissionaires (Hamilton) complements parking enforcement services provided by City staff with no displacement of unionized employees.

ANALYSIS / RATIONALE FOR RECOMMENDATION

(include Performance Measurement/Benchmarking Data, if applicable)

The negotiation of a mutually agreed upon contract with the Corps of Commissionaires (Hamilton) has proven to be the most cost effective and beneficial method of obtaining this service. In 2002, it was decided that a Request For Proposal (RFP) would be issued.
to determine if there were any other interested and qualified service providers. However, that process did not attract any bidders other than the Corps of Commissionaires (Hamilton), and the proposed price was significantly higher than that which could have been achieved through the long standing price quote process from the Corps of Commissionaires (Hamilton).

**ALTERNATIVES FOR CONSIDERATION**
(include Financial, Staffing, Legal and Policy Implications and pros and cons for each alternative)
