

2015 City of Hamilton Arts Awards Nominees

Please see below for a list of nominees for the 2015 City of Hamilton Arts Awards. The winners of the Arts Awards will be announced at a special event on Thursday June 4th, 2015, at Theatre Aquarius beginning at 7:30pm. A list of award recipients will be posted on www.hamilton.ca/artsawards following the event.

How are the award recipients selected?

ESTABLISHED ARTIST AWARD:

- A nomination package is submitted for each Established Artist nominee
- A jury of category-specific arts professionals reviews the Established Artist nomination packages and determines who will receive the award based on each nominee's work, career, and reception by the arts community at large.

EMERGING ARTIST AWARD:

- Each Established Artist nominates and Emerging Artist worthy of recognition in their award category.
- If the Established Artist is awarded, their Emerging Artist is awarded too! By winning together, professional artistic relationships can grow and thrive in the community between artists at different points in their careers.
