Request to Speak

Planning & Economic Development Comm.
50 Office of the City Clerk.
City of Hamilton
71 Main St. N.W. 2nd floor.

I write this request to the Chair and members of the Committee the opportunity to present myself before you at the next available sitting of your Committee.

I have concerns and viewpoints that directly relate to the Planning Department and the way they presently deal with the general public when general information is sought out by the general public including myself. As one example, I truly believe your ways of providing information to the public at present is inadequate especially for the image the City portrays.
I also believe that if my viewpoints are heard, and considered and hopefully accepted and acted upon then the City as a whole would garner more public respect. Furthermore, the economic development done of the City would have the opportunity to improve over time.

May I trust that the request I submit is accepted and I will be afforded the opportunity to bring my concerns to your attention soon.

Yours Truly,

Victor V. Veri
