EXECUTIVE SUMMARY

The draft 2011 City Manager budget is submitted for Council’s consideration.

As shown above, the draft 2011 City Manager budget results in a net levy increase of approximately $90,000 or 1.0%. The major cost drivers being.

- OMERS Costs $95,700
- Employer/Govt Benefits $34,912

Base Budget Savings
In preparation of the 2011 draft budget, Senior Management Team directed departments to thoroughly review their budgets in an effort to identify all potential budget savings which can be achieved with no impact on service delivery. These “base” budget savings include such things as efficiencies, revenues and zero impact reductions. Although SMT continues its internal process to develop additional budget savings, included in the 2011 draft budget are the base budget savings which have been identified to date.

Corporately, departments were able to identify approximately $6.3 million in base budget savings (updated from $6 million previously report in the Budget Summary Report FCS11023). As identified in the table below, $5.9 million was used to reduce the levy, while $394,200 was re-allocated as part of the Council approved restructuring of the City Manager’s Office (CM09021(a)/CS10091, CM10003).
Complement

The 2011 draft complement for the City Manager is 110 FTE, representing no change when compared to the 2010 restated complement.

<td>Restated</td>

The 5.0 FTE increase between the 2010 approved and restated budget is as a result of 1 FTE approved through report HUR10001(a), 2 FTE transferred from Public Works, 1 FTE transferred from Hamilton Emergency Services and 1 FTE transferred from Community Services (part of the Council approved restructuring of the City Manager's Office (CM09021(a)/CS10091, CM10003)).

The levy increases in Administration and Legal Services are driven by increases in OMERS and Government/employer benefit costs. Employee related costs constitute over 95% of the CMO department’s cost. The impact of these increases has been mitigated by reductions in administrative and operating costs across all the four divisions.
